

## Primary Care First Letter of Intent

Thank you for your interest in Primary Care First (PCF). CPC+ Practices may apply to PCF to participate from 2022-2026. Please complete this non-binding Letter of Intent (LOI) to help us better assess CPC+ practices' interest in the CMS Innovation Center's newest primary care model. While you are encouraged to submit a Letter of Intent, this form is not required in order to apply to Primary Care First.

Please note that CPC+ practices will be required to submit an application to participate in PCF. More application details will be available at a later date.
